

Hit the Trail...

Let your GPS or smartphone with the Geocaching app, guide you on an adventure through the rolling hills of the beautiful Sequatchie Valley. Special geocaches have been hidden at sites across the area and there are rewards for those who find and log these geocaches while visiting our Bledsoe County businesses along the way.

We hope you enjoy your time geocaching along our backroads and the hospitality of our Trail Partners, Chamber of Commerce, Bledsoe Telephone Cooperative, Southeast Tennessee Tourism Association and the Tennessee Department of Economic Development, whose kind support has made this GeoTour possible.
